

ICSM 2018

JULY 1 - 6, 2018 / BUSAN, KOREA

Company Name	ASK CORPORATION	President / CEO	Hongkil, Kim
Address	Room #1101 Anyang Trade Center, 161, Simindae-ro, DongAn-Gu, Anyang City, Kyunggi-do,		
Telephone Number	031-451-5600	Fax Number	031-451-5605
E-mail	ask@askcorp.co.kr	Website	www.askcorp.co.kr

Company Instruction

We are specialized in the field of Cryogenic, Magnetics and Vacuum in universities, governmental R&D institutes, industrial laboratories and others.

Cryogenic equipment:

- Variable Temperature Cryostats
- ULT Cryostat (He3, DR Systems)
- Cryogen Free Superconducting Magnet Systems
- Cryogenic SPM Systems
- UHV Cryogenic STM Systems.
- Cryogenic Probe Station Systems.
- Cryogenic Temp. Controllers / Temperature Monitors / Temperature sensors
- LHe / LN2 Level Sensors / Controllers

Magnetic Equipment:

- VSM Systems
- Hall Effect Measurement systems.

Vacuum Equipment:

- UHV Sputtering Systems
- PLD/MBE Systems

ASK is representative in Korea for
 Lake Shore / Cryomagnetics / JANIS Research / Cryomech / attocube / Sunpower / International Cryogenics /
 Televac / PVD product / Mantis / Sigma Surface Science
