

Prof. Olle Inganäs
Linköping University, Sweden

**Biomolecular and organic electronics,
Department of .Physics, Chemistry and Biology, Linköpings Universitet**
E-mail: ois@ifm.liu.se

▪ **Major activities**

2000 – present Professorship in Biomolecular and Organic Electronics, Linköping University
1989 Docent, Applied Physics, Linköping University
1984 Tekn. Dr., Applied Physics, Linköping University

▪ **Honors and Awards**

1997 the Göran Gustafsson prize in physics
2001 Anointed Excellent scientist by Vetenskapsrådet
2006 Elected member of the Royal Academy of Sciences, Stockholm, Sweden
2010 – 2015 Wallenberg Scholar 15 Mkr/5 years
2014 – 2017 Thomson-Reuter: Highly Cited Researcher, Highly Influential Scientific Mind
2014 Honorary professor at Jinan University, Guanzhou, China
2012 – 2016 Member of the Nobel committee for physics
2015 – present Member, Scientific Advisory Board of the Knut and Alice Wallenberg Foundation
2016 Chairman of the Nobel committee for physics
2017 Honorary professor at Qingdao University, Shandong, China

▪ **Research interests**

Soft matter (opto)electronics and electrochemistry, energy conversion and storage, bioelectronic interphases
